

Emergency Contact Information

While on the mission trip, communication with friends and family back home will be on an emergency basis only. We realize this is challenging, but it helps greatly in maintaining the team's focus on the Lord. We strongly encourage friends and family to "see the team off" and a greeting party is great for when they return! As the groups leaves Mexico and heads back home a call can be made by one of the trip leaders to a designated person who can then call all parents, etc. As the team nears its destination another call can be made to more accurately pinpoint the arrival time.

In the event of an emergency the following numbers can be called:

Dave Campbell (cell phone—reception not always possible in Mexico) 208 755-0423

Pastor Ariel Romero (Senior Pastor in Tecate): 011-52-665-65-40986 (this is the entire sequence of numbers to call from the U.S.—you don't need to dial "1" to begin)

Mission team leader: _____

Cell phone number: _____
